**EVERYONE Bring at least on photographic related item to share**, auction (one item lot per member please), and the door prize.

### Club Meeting Activities

The December meeting of the Puget Sound Photographic Collectors Society came to order at 7:00 pm. There were 23 members that signed in, but many more members and guests in attendance. (The actual attendance number was not taken) The minutes were approved as posted on the web. Treasurer reported that she would be in Florida for the December meeting, but we know she didn't use the clubs fund to fly off and see her new great grand child. The meeting was quickly adjourned to partake of the food provided for our annual Holiday feast.

After all the belly's were full the group got together for what is becoming the annual attendance photo, that includes family and friend enjoying everyone company.

Finally everyone heard a clatter that turned out to be Santa in his full regalia this year and an elf that looked an awful lot like our casual Santa from the previous year. Nineteen people participated in the gift exchange with very little changing of gifts thought to be coal disguised as a camera.

The evening wrapped up with everyone pitching in to help clean up and put away all the chairs and tables, as usual. ( It is great to not need a clean up committee knowing everyone will help). The extra food was distributed to anyone that wanted a little leftovers for the next day.

Because there wasn't enough time to solidify a caterer this year, from the motion that was passed in the previous month's meeting Walter and his Daughter did a large part of the food gathering and preparation, but not without the help of Stan and Mike Immel. Maybe next year we can plan a little earlier and have a catered event?

See all the party pictures on the web site <http://fastglass.wikispaces.com/Annual+Christmas+Party+and+Gift+Exchange> and a few on the following page.

**January program:** Everyone bring one item to share with the other members. Your favorite camera, image, figurine, camera attachment, or darkroom piece of equipment. Anything you have photographic to share. The object of the program is for EVERYONE to bring something. THANKS!

**February program:** TBA

*The Bellows* Newsletter is published 10 times per year by the Puget Sound Photographic Collectors Society, Inc.
